“

Working at M House is the best experience I have had so far in childcare! The owner/admin team is very supportive of the staff and their needs to make sure they have what is needed to carry out their jobs! The entire staff truly works and one big team/family.

–Mrs. Danni

“

The thing I like about M House is the bond I created with my kids and parents. I only been here for a short period of time and I love the fact I can teach how I want.

–Mrs. Revonda

“

I enjoy working at M House because it's an encouraging environment. I enjoy helping and watching the students grow and develop into wonderful peers. I enjoy working with a young group of hard working with ambitious women. Madalyn's House is a great place for all students and teachers to evolve into better functioning members of society.
